Sinhgad Hackathon 2026

Round-I Evaluation Sheet

Sr. No.	Name of the Team	Problem Fit (10)	Innovation (10)	Target User (10)	Technical Plan (10)	Feasibility (10)	Remark	Total (50)
		Does the solution address a clear, validated pain point in the market?	Is the idea original or a significant improvement over existing solutions?	How well does the team understand the specific needs of their audience?	Is the chosen tech stack appropriate and well-rationalized for the task?	Is the roadmap realistic for the hackathon timeline and resources?		
1	Soft Circuits							
2	Future Wave							
3	DynamicA4X							
4	HackQ+							
5	SAVAYA							
6	Byte Shift							
7	TRINETRA							
8	MindSparks							
9	TechSphere
